Sir:

It is respectfully requested that the above-identified application be revived.

This application became abandoned for failure to fulfill the requirements of 35 U.S.C. 371 to enter the national stage in the United States of America as an Elected Office, including furnishing to the U.S. Patent and Trademark Office the basic national fee, as required by 37 CFR 1.495(b), not later than the expiration of 30 months from the priority date (e.g., on or before January 10, 1999). See also 35 U.S.C. 371(c). The application became abandoned on this date.

The entire delay in filing the required reply, fulfilling the requirements of 35 U.S.C. 371 including furnishing the fee required by 37 CFR 1.495(b), from the due date for the reply, until the filing of a grantable petition was unintentional.

The reply in the form of the submission of a Transmittal Letter to the United States Designated/Elected Office (DO/EO/US) Concerning a Filing Under 35 U.S.C. 371 to enter the national stage, including payment of the basic national fee is enclosed herewith. A Fee Transmittal FY 2001 is also enclosed charging the petition fee, the basic national fee and any surcharges or any other fees which might be due to Deposit Account 04-1928. E. I. du Pont
